

**Dr Polly Richards**  
**BA MBBS MRCP FRCR**

Dr Polly Richards is a Neuroradiologist specialising in Head and Neck Imaging and has been a consultant at Barts and the London since 2002. She trained in Oxford, Bristol and London before doing a subspecialty Fellowship in Head and Neck Imaging in Hong Kong. Dr Richards has a particular interest in ultrasound of the neck and has helped to develop a comprehensive ultrasound service for the Trust including a new rapid diagnostics service for head and neck patients. Dr Richards holds many national and regional roles including:

- Deputy Chairman of the NELCN Head and Neck Tumour Advisory Board
- Member of the NELCN Thyroid Cancer Tumour Advisory Board
- Vice Chairman of the British Society of Head and Neck Imaging
- Member of the Examination Board for the Royal College of Radiologists'
- Diploma in Dental and Maxillofacial Radiology
- Member of the expert panel for the Royal College of Radiologists' MBUR Guidelines
- Educational supervisor for European Society of Radiology Scholars Dr Richards regularly lectures on aspects of head and neck imaging and has contributed and co-authored several books and review articles on the subject.
